PERSONAL INFORMATION

Current Positions	Program Director July, 2011 — present	Measurement, Statistics and Evaluation Program Dept. of Human Development and Quantitative Methodology College of Education, University of Maryland
	Professor full time July, 2011 — present (with tenure)	Measurement, Statistics and Evaluation Program Dept. of Human Development and Quantitative Methodology College of Education, University of Maryland
	Director and Founder January, 2005 — present	Center for Integrated Latent Variable Research University of Maryland
	Affiliated Professor August, 1997 — present	Dept. of Human Development College of Education, University of Maryland
	Affiliated Professor November, 2005 — present	Center for Advanced Study of Language University of Maryland
Previous Positions	Department Chair July, 2008 — June, 2011	Dept. of Measurement, Statistics and Evaluation College of Education, University of Maryland
	Interim Associate Dean for Research & Graduate Education July, 2007 — July, 2008	College of Education, University of Maryland
	Professor full time August, 2003 — June, 2011 (with tenure)	Dept. of Measurement, Statistics and Evaluation College of Education, University of Maryland
	Associate Professor full time August, 1998 — August, 2003 (with tenure)	Dept. of Measurement, Statistics and Evaluation College of Education, University of Maryland
	Assistant Professor full time August, 1995 — August, 1998	Dept. of Measurement, Statistics and Evaluation College of Education, University of Maryland

	Assistant Professor full time August, 1991 — June, 1995	Educ. Foundations, Leadership, & Technology College of Education, Auburn University
	Visiting Assistant Professor June, 1994 — August, 1994 June, 1992 — August, 1992	Department of Educational Psychology College of Education, University of Washington
	Graduate Teaching Assistant June, 1988 — August, 1991	Department of Educational Psychology College of Education, University of Washington
	Student Teacher September, 1986 — June, 1987	Dept. of Mathematics and Dept. of Chemistry Ingraham High School (Seattle, WA)
Education	Doctor of Philosophy August, 1991	Statistics, Measurement, and Research Design Department of Educational Psychology College of Education, University of Washington
	Master of Education June, 1989	Statistics, Measurement, and Research Design Department of Educational Psychology College of Education, University of Washington
	Teaching Certif. (4-12 th) July, 1987	Mathematics and Chemistry University of Washington
	Bachelor of Science June, 1986	Department of Chemistry University of Washington
	Bachelor of Science June, 1986	Department of Mathematics University of Washington
